

Turkish Hosting Institutions Catalogue

TÜBİTAK

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
1	Governmental Institution	KOSGEB - Small and Medium Industry Development Organization	SME Supports, Industrial Development, Incubation, Access to Finance Facilities for SMEs, Entrepreneurship		18 years experience for Manufacturing SME supports in Turkey	Economic Sciences	http://www.kosgeb.gov.tr
2	Industry	GenderReflex laboratories	Human reflexes using surface and intramuscular EMG	At present, the principal investigator has the Marie Curie Chair	Single motor unit recording and analyses; human reflexes; EMG; peripheral receptors.	Life Sciences	www.genderreflex.org
3	Industry	Türksat A.Ş.	Satellite services provider and Satellite Manufacturer	Space Awareness and Education, GEO Satellite and Payload Design, Remote Sensing	GEO Satellite Design and existing GEO fleet (T1C, T2A, T3A..)	Engineering and Information Society	www.turksat.com.tr
4	Industry	TAI	TAI is active in aerospace products desing, testing and manufacturing. However, the requirements presented here are related with the satellite technologies.	<ul style="list-style-type: none"> Satellite system design, LEO application mission - operation design and analysis, Control moment gyroscope development for satellite applications, AODCS subsystem actuators ground testing processes (e.g: 3D air bearing table, simulators..), AODCS 	<ul style="list-style-type: none"> Satellite mission-operation design - analysis, Satellite subsystems design- analysis-testing, AODCS actuators (control moment gyroscopes) development, testing, Avionics system design, development, 	Engineering and Information Society	http://www.tai.com.tr/
5	Industry	myTECHNIC - MRO Teknik Servis ve Ticaret A.S.	Aviation maintenance and engineering	non	Aircraft line and base (on-wing and off-wing) maintenance (EASA Part-145), engineering services (Part-21)	Engineering and Information Society	www.mytechnic.aero
6	Industry	ASELSAN-Engineering and Information Society	Image Processing Algorithms		Electro-Optics systems design laboratories and manufacturing facilities	Thermal Imaging	www.aselsan.com.tr
7	Industry	SETAS KIMYA SAN AS	Textile, paper dye and auxiliaries; masterbatch; powder coating	We participated to the project proposal "ASOIE: ADVANCED STUDIES ON INDUSTRIAL ENZYMES"	Organic synthesis; instrumental analysis; textile applicability tests	Chemistry	www.setaskimya.com

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
8	Industry	Türkiye Şişe ve Cam Fabrikaları A.Ş.	The company is composed of 4 groups (Flat Glass, Packaging, Tableware, Chemicals) having the following expertise areas: float glass, figured and wired glass, coated glasses, automotive glass, mirror, laminated glass, tempered glass, glass containers, ferr		The Research and Development Center has professional research engineers with various fields of specialization, including glass science, chemistry, physics, solid-state chemistry, electronics, mechanics, heat transfer, fluid mechanics, mineralogy and metal	Chemistry, Engineering and Information Society	www.sisecam.com
9	Industry	Migros Turk T.A.S.	Organised Retail		With 960 stores in 6 different formats, Migros is the largest retail company and employer (+14000 employees) in Turkey. Some of the decision support systems we have at Migros: Migros Club Loyalty Card (one of the biggest in Europe) and data mining & CRM t	Life, Social, Economics	http://www.migros.com.tr
10	Industry	Multitek Arge	VOIP, PBX design, Multi-processor systems		Embedded linux systems, event driven programming, linux workstations, eclipse, cvs, concurrent programming	Design and development of hybrid PBX	www.multitekarge.com
11	Industry	ISTAC A.S.	Environmental Systems especially on Solid Waste Management Systems	One Project Proposal "CITYCOM"	1. European Landfill Site : 9.000 tons/day 2. Asian Landfill Site : 5.000 tons/day • Composting and Recycling Facilities European Site Composting and Recycling Facility : 1000 tons/day Asian Site Recycling Facility and Wind	Environment and Geosciences	www.istac.com.tr
12	Industry	ARCELİK A.S.	HOUSEHOLD APPLIANCES	N/A	Cooling Technologies Isolation Technologies Cleaning Technologies Vibration & Acoustics Material Technologies CAE Tools Fluid Dynamics	Engineering and Information Society	www.arcelik.com www.arcelikas.com

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
13	Industry	C Tech Bilişim Teknolojileri A.Ş. (C2Tech)	<ul style="list-style-type: none"> • Communication systems and communication security, • Modelling and simulation of command-control (C2) systems, • RF modelling and analysis. 		<ul style="list-style-type: none"> • Satellite and new generation wide-band communication infrastructures • Network-centric and interactive systems and information fusion (related to command-control and e-government applications) • Modelling and simulation for engineering analysis and training 	Engineering and Information Society	www.ctech.com.tr
14	Industry	ProGen Seed Inc.	Field Crops Research		Breeding Field Crops by biotechnology methods, Biotechnology Laboratory, Research Fields,	Life Sciences	www.progenseed.com
15	Industry	Süleyman İshakoğlu İshakol Boya Sanayii A.Ş.	Architectural Paint Production	No	Research and Quality Control Laboratories, production unit	Chemistry	www.ishakol.com
16	Industry	KALITE SISTEM LABORATORIES GROUP	Food / Feed Additives analysis;Contaminants and residues analysis (pesticide residue analysis; antibiotic analysis; mycotoxin, heavy metals, etc.);Food Packaging Material Analysis;Food supply and retail chain management-Quality Assurance Applications		Kalite Sistem Laboratories was established in 1991 by the technical support of IFU (Industrialization Fund for Developing Countries) and S&Q Tech and Steins Laboratories-Denmark. KSL is now affiliated to the AGES (Austrian Agency of Health and Food Safety)	1,2,4,6	www.kalitesistem.com
17	Industry	Ford Otosan Gebze Engineering	<ul style="list-style-type: none"> • Engine Design & Development • Powertrain CAE • Exhaust after treatment system • Powertrain (transmission, axle etc.) • Engine & Aftertreatment Calibration • Software Development • Material Research & Development • Cooling, air induction and exh 		Gebze Engineering is a branch of Ford Otosan supporting both engineering services for Ford Otosan and Ford of Europe's Product Development Centres. Ford Otosan, a joint venture with Ford Motor Company, is Turkey's biggest commercial vehicle manufacturer a	Engineering and Information Society	www.ford.com.tr

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
18	Industry	TURKCELL	Telecommunications, wireless, mobile and innovation	IRG-2008 - 1 APPLICATION	IT facilities, Test GSM Network, Conference attendance, FP7&EUREKA project participation&coordination, part-time professor at relevant universities in Turkey	4 Engineering and Information Society	http://www.turkcell.com.tr
19	Industry	TURKCELL TEKNOLOJİ	Telecommunications, wireless, mobile, software development, R&D and innovation		IT facilities, Test GSM Network, Conference attendance, Trainings, FP7&EUREKA project participation&coordination, part-time professor at relevant universities in Turkey, MS & PhD thesis support	4 Engineering and Information Society	http://www.turkcellteknoloji.com.tr
20	Industry	Foundation for supporting vocational training and small industry - MEKSA	VET Pilot Projects	Non	Training Facilities: hydraulic lab, pneumatic lab, cad/cam lab, CNC lab, computer lab Social Facilities: refectory for 150 personen, dormitory for 140 personen, Oditorium for 650 personen, meeting room, cafeteria	Social and Human Sciences	www.meksa.org.tr
21	Industry	IGEM RESEARCH and CONSULTING	Sustainable Use and Development		Numerical Models for surface waters and comprehensive knowledge base for watershed management	Environment and Geosciences	www.igemconsulting.com
22	Industry	MilSOFT Yazılım Teknolojileri A.Ş.	Software development	N/A	Embedded Systems • Command Control & Tactical Data Links • Unmanned Air Vehical /Manned Aircraft Payload Image Exploitation • Electronic Warfare • Simulation and Modeling • SW Development & Verification per DO. 178 for FAA and System Integration	Engineering and Information Society	www.milsoft.com.tr
23	Industry	DOGA Tohumculuk LTD.	Agriculture, Biotechnology, Potato, Seed		Potato Tissue Culture Laboratory Facilities and Glass House	Life Sciences	www.dogaseed.com
24	Industry	Kuzey Bilişim Sistemleri Ltd. Şti.	Hospital Information Systems, Tourism Agency Software, Agricultural programming		Hospital Information System with HL7 V3	Engineering and Information Society	www.kuzeybilisim.com.tr
25	Industry	MOL-IMAGE	R&D for synthesis of organic molecules as active radiopharmaceutical ingredients		Complete chemistry laboratory for synthesis and analysis	Chemistry	www.molimg.com
26	Industry	TeknoTek /TechnoTech Engineering Consultancy Co.Ltd.	Chemical, Environmental and Energy Technologies		Product formulations, process and equipment design, prep. of projects and tech. reports, feasibility studies	Chemistry, Environment and Geosciences	www.techno-tech.com

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
27	Industry	ABC SUPERSONIC LTD	Field analysis, project design, project management, connecting company when needed		Field and need analysis, project design, project management, finding appropriate host or partner company in Turkey.	Engineering and Information Society	www.abcsupersonic.com
28	Industry	Portakal Teknoloji Training Consultancy Software	ICT, Open Source, Security, Enterprise Applications, Linux, Medical Informatics	N/A	Portakal Teknoloji is the premier medium sized consultancy firm in Turkey with a client base that spans larger software shops, government computer centers, universities, ministries and various units of Turkish Military. Portakal Teknoloji specializes in b.	4- Engineering and Information Society	www.portakalteknoloji.com
29	Industry	ELVİN TEXTILE COMPANY	Home Textiles		Expertise: nanotechnology hosting institution: Reaserch&Development department including working office (24 hour internet connection and library) and laboratory (laboratory dryer with sieve frame and pin frame adjustable in length.	CHEMISTRY	www.elvin.com.tr
30	Industry	GENAR Public Health Genomics Institute	Public Health Genomics	Currently, we do not have a Marie Curie Projects. However, we have one project in under preparation, called PHGET Public Health Genomics European Training Programme	GENAR Institute aims to transform scientific developments in the area of biotechnology, especially genetics and genomics, into products and services that improves human health, quality of life and performance, and extends life span. GENAR Institute has 3	1. Life Sciences	www.gentest.gen.tr
31	Industry	SESTEK Ses ve İletişim Bilgisayar Teknolojileri San. ve Tic. A.Ş.	Voice technologies, telephone and fax solutions, customer services automation and call center applications.	-	<ul style="list-style-type: none"> Completed / ongoing national and international projects in the mentioned area of activity Wide variety of partners and customers Time and cost saving solutions Continuously improved and updated product portfolio Young, energetic and experienced 	Engineering and Information Society	www.sestek.com.tr
32	Industry	AKUVATUR Mediterranean Seafoods Inc. Co.	Aquaculture	Leonardo Da Vinci Teachers Mobility Program	<ol style="list-style-type: none"> Mediterranean Fish Species production Fish egg production Juvenile Fish production Broodstock maintenance 	Life Sciences	www.akuvatur.com

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
33	Public Research Institute	TÜBİTAK UZAY (TÜBİTAK Space Technologies Research Institute)	Space Technologies, Electronics, Software, Power Electronics, Power Distribution Systems.		Space Technologies: Satellite systems, satellite sub-systems, satellite ground station sub-systems, satellite test and integration systems. Electronics: Communication systems, electronics system design, electro-optic payloads, high-speed digital design, IC design. Software: Computer vision, speech processing, pattern recognition, remote sensing, multimedia technologies. Power Electronics: Power quality, compensation systems, electrical motor drives, switching power supplies, renewable energy resources. Power Distribution Systems: Analysis of electric production and transmission systems, strategic research and	Engineering and Information Society	www.uzay.tubitak.gov.tr
34	Research Center	UNIDO-ICHET INTERNATIONAL CENTER FOR HYDROGEN ENERGY TECHNOLOGIES	Hydrogen & Fuel Cells		Fuel Cell Testing Capabilities (Servers and high speed computers, 125W FC test Station (2), 1 kW FC Test Station (2), Electrolysers (3), fuel cells, potentiostat & galvanostat, impedance system, metal hydride cylinders (3),	Engineering and Information Society	www.unido-ichet.org
35	Research Center	TUBITAK Marmara Research Center Energy Institute	Advanced Energy Technologies (hydrogen, fuel cells, gasification, fuel technologies), Power Electronics and Control Technologies (Power electronics, vehicle and battery technologies)		Hydrogen & fuel cell , gasification labs.	Engineering and Information Society	http://www.mam.gov.tr/enstituler/ee/index.html
36	Research Center	TÜBİTAK UME Dimensional Group Laboratories	Dimensional Metrology		High precision dimensional metrology facilities (length and angle) ranging from nanometer level to several Kilometers. 6 main topics: Surface topography and nanometrology, gauge blocks and interferometry, Geometrical standards and form measurements	Engineering and Information Society, Physics	www.ume.tubitak.gov.tr
37	Research Center	TÜBİTAK UME Dimensional Group Laboratories	Dimensional Metrology		High precision dimensional metrology facilities (length and angle) ranging from nanometer level to several Kilometers. 6 main topics: Surface topography and nanometrology, gauge blocks and interferometry, Geometrical standards and form measurements	Engineering and Information Society, Physics	www.ume.tubitak.gov.tr

38	Research Center	TÜBİTAK UME Fluid Mechanics Group Laboratories	Fluid Mechanics Metrology		High precision of Fluid flow rates and velocity measuring facilities (Liquid Flowrate, Gas Flowrate, Gas velocity, efficiency and type approval testing of flowmeters, pumps, valves, fans/aspirator etc.) ranging from mikro-liters per minute to 20 000 meter	Engineering and Information Society, Physics	www.ume.tubitak.gov.tr
39	Research Center	ISAM, Center for Islamic and Social Studies	Muslim Education, Turkish Educational Modernization, Islamic Thought and Civilization		Islamic History and civilization, Turkish-Ottoman History, Turkish Educational Modernization	Social and Human Sciences	www.isam.org.tr
40	University	Izmir Institute of Technology Department of Physics	Experimental Condensed Matter Nanotechnology High Energy Theory		Growth and characterization of thin films nanostructure synthesis nanolithography micro/nano devices state of the art equipment	Physics	http://likya.iyte.edu.tr/physics/

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
41	University	Institute of Oncology, Dokuz Eylul University, Izmir-Turkey	Neuroblastoma, Tumor Immunology, Drug Resistance, Colorectal Cancer, Lung Cancer, Multiple Myeloma Biology, stem Cell Biology, Myelodysplastic Syndrome, Lymphomas, Brachytherapy		Real Time PCR, Cell culture studies, Cytotoxicity Assays, Western blotting 1-Molecular Laboratory with Real Time PCR, 2-Cell Culture Laboratory and 3-Analytic Chemistry Laboratory	Life Sciences	http://www.deu.edu.tr/DEUWeb/icerik/icerik.php?KOD=80
42	University	Department of Bioengineering, Faculty of Engineering, Ege University	The Department has 7 Research labs; namely, Bioprocess Engineering, Process Control and Modelling, Molecular Genetics, Plant Cell and Tissue Culture, Animal Cell Culture, Algae Culture and Industrial Microbiology.		"Aegean Centre of Excellence for Bioengineering and Biotechnology – BIO-ACE" - all kinds of project collaboration.	Life Sciences	http://biyomuhendislik.ege.edu.tr/english/ing/Bioengineering.htm
43	University	Dokuz Eylul University, Faculty of Business, Department of Economics	International Economics, Regional development, Agricultural Economics	European Science Foundation ECRP project, EUROCORES Inventing Europe Project, FP7 small collaborative	international projects on the area of interest	Economic Sciences	www.deu.edu.tr/isletme
44	University	Kahramanmaraş Sutcu Imam University - Center for Environmental research and Development	Environmental Pollution - Wastewater Treatment - Environmental Biotechnology - Biofuels		Environmental Biotechnology Laboratories	Environment and Geosciences	www.ksu.edu.tr
45	University	Gazi University NanoMedicine Research Center	Nanomedicine, Nanobiotechnology		Tissue-cell culture systems, immunology lab, immunohistochemical lab, clean room, AFM, SEM, Confocal-Raman System, animal experiment system	Life Sciences	www.nanomed.gazi.edu.tr
46	University	Balkan Center for Advanced Casting Technologies	Casting	None	Advanced Casting and Solidification Laboratory. (www.bcact.yildiz.edu.tr/english/equipment.htm)	Engineering and Information Society	www.bcact.yildiz.edu.tr
47	University	METU Welding Technology & Non-Destructive Testing Center	Welding Technology and Non Destructive Testing		Welding training and research laboratories; NDT training and research Laboratories: Ultrasonic, Radiography, Magnetic Particle, Resonant, Eddy	Engineering - Training, Certification, Industrial applications, Research	http://www.wndt.metu.edu.tr
48	University	Istanbul Technical University Applied Research Center of Materials Science & Production Technologies (ITU-ARCMat)	Light metals, Processing and synthesis of nanomaterials, advanced ceramics and composites, thermochemical modelling, coating and characterisation technologies		SIMS, EPMA, Thin Film Coating Systems, ICP, XRD, Optical Microscope systems, Metallographic sample preparation	Engineering and Information Society	http://www.cercom.itu.edu.tr/en/index.htm

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
49	University	Dr. Orhan Öcalgiray Molecular Biology- Biotechnology and Genetics Research Center	Bionanotechnology, molecular biomimetics, bacterial genetics, biosensors, directed evolution, environmental biotechnology, fermentation technology, human genetics, microbial ecology, neurobiology, protein engineering, tissue engineering, bioninformatics, b		Molecular biology techniques (PCR, phage display, cloning, electrophoresis, gel analysis and imaging, electroporator, etc.); DNA sequence analysis; microplate reader; microbiological tests (water samples); ultracentrifuges; lyophilizator; total organic C/	Life Sciences	http://www.mobqam.itu.edu.tr/
50	University	Izmir Institute of Technology [Izmir Yüksek Teknoloji Enstitüsü]	Engineering: Chemical, Civil, Computer, Electrical & Electronics, Food, Mechanical Science: Chemistry, Mathematics, Molecular Biology & Genetics, Physics Architecture: Architectural Restoration, Architecture, City & Regional Planning, Industrial Design, U	1.Classification of Olive Oils and Detection of Adulteration (IRG) 2.Investigation of Thermal Stratification on Hydrodynamics of a Reservoir (IRG) 3.Channel Modelling and Advanced Signal Processingfor Indoor Wireless Communication Systems (IRG) 4.Enhanci	Centre of excellence in science and technology in Aegean region. State-of-the-art research laboratories. Research Centres: Computer Applications and Research Centre, Centre for Materials Research, Environmental Research Centre, Biotechnology & Bioengineering	Life Sciences, Chemistry, Engineering and Information Society, Physics, Mathematics	www.iztech.edu.tr www.iyte.edu.tr
51	University	ISTANBUL UNIVERSITY FACULTY OF POLITICAL SCIENCES	Defence economics, gender studies, input-output modeling		Cooperation with political scientists, library, PC, office, teaching and seminar rooms	Social and Human Sciences, Economics	http://www.sivasal.istanbul.edu.tr/english/index.htm
52	University	EGE UNIVERSITY, FACULTY OF PHARMACY, DEPARTMENT OF TOXICOLOGY	TOXICOLOGY		Lipid, protein and DNA oxidation, environmental toxicology of humans via biota and abiota, mercapturic acid pathway of xenobiotics.	Life Sciences	http://www.pharm.ege.edu.tr/pp/hilmiorhan
53	University	Kocaeli University Laboratory of Image and Signal processing (KULIS)	Image and Video Processing		Image and Video Processing Lab.	Engineering and Information Society	http://kulis.kou.edu.tr/
54	University	Dokuz Eylül University Department of Chemistry	Analytical, Inorganic,Biochemistry, Physical Chemistry, Organic Chemistry		Surface Chemistry	Chemistry	http://www.deu.edu.tr/DEUWeb/Icerik/Icerik.php?KOD=535
55	University	Mugla University	Photovoltaics research		Thin film transport studies and PV outdoor system characterization	Physics	http://www.mu.edu.tr/t/akademik/fakulteler/feffizik/

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
56	University	Istanbul University	Applied geophysics, engineering geophysics and near surface geophysics, engineering and earthquake seismology		Applied geophysics, engineering geophysics and near surface geophysics, engineering and earthquake seismology	Environment and Geosciences	http://www.istanbul.edu.tr/eng/jfm/eng/indexeng.htm
57	University	TOBB University of Economics and Technology	Control Systems, Multi-Agent Control Systems, Decentralized Cooperative Coordination and Control, Robotics		<u>Excellent Infrastructure for Swarm Robotics and Multi-Robot Coordination Research (see http://suru.etu.edu.tr/)</u>	Engineering and Information Society	http://www.etu.edu.tr/ ; see also http://vqazi.etu.edu.tr/
58	University	Gebze Institute of Technology	Teaching and Research in Chemical and Food Engineering		The primary research fields are transport phenomena, separations, kinetics, polymers, surface science and reaction engineering, product and process systems engineering and food technology	Engineering and Information Society and Life Sciences	www.gyte.edu.tr
59	University	Hacettepe University Department of Biophysics, Research Laboratories	Relationships between the functions and electrical activity of the brain; dynamics of various sensory functions (especially auditory and visual) and of psychophysiological processes such as memory, cognition, learning, and attention.		Four electrically shielded isolated chambers for EEG recording; 128 channel EEG/ERP recording & analysis facility (Scan&Stim software). Mechanical transducers and muscle baths. Stereomicroscopes. Confocal Microscopy; Voltage & Patch clamp; Cell Culture	Life Sciences	www.hacettepe.edu.tr
60	University	Bogazici University	Higher Education / Research Institute	(i) FP6 Reintegration Grant Multifunctional dendrimers as targeted drug delivery systems (ii) FP7 Reintegration Grant URBANQUAKE-Istanbul Urban Earthquake Test Site		Life Sciences Chemistry Social and Human Sciences Engineering and Information Society Economic Sciences Environment and Geosciences Physics Mathematics	www.boun.edu.tr
61	University	Middle East Technical University, Aerospace Engineering Department, Structures Laboratory	Smart Aerospace Structures, Active Vibration Control, Aeroelasticity		Software and hardware for modelling, analysis and control for smart structures	4 Engineering and Information Society	www.ae.metu.edu.tr/~yyama 1
62	University	Ege University, Bioengineering Department, Bionenergy & Environmental Biotechnology Research Laboratory	Environmental Biotechnology focusing on methane and hydrogen production		Bio-hydrogen production from waste via anaerobic dark fermentation and photofermentation	Environment and Geosciences	www.ege.edu.tr

63	University	ITU-EMCOL (Eastern Mediterranean Centre for Oceanography and Limnology, Istanbul Technical University)	Marine Geohazards, Climate and Environmental Changes		Earthquakes, submarine landslides and tsunamis; sedimentary records of climate and environmental changes; Facilities include field surveying and sampling; XRF Core scanner and MSCL facilities	Environment and Geosciences	www.emcol.itu.edu.tr
64	University	Ankara	Faculty of Agriculture, Department of Soil Science and Plant Nutrition		Mineral nutrition of higher plant, Plant Physiology, Soil Pollution, Heavy Metals in Plant and Soil.	Life Sciences, Environment and Geosciences	www.agri.ankara.edu.tr/soil_sciences/

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
65	University	Boğaziçi University Department of Mechanical Engineering	Solid mechanics, fatigue and fracture, materials and manufacturing, thermal sciences, dynamics and control, computational fluid dynamics. Specialization in automotive engineering.		Laboratory and computational facilities in experimental engineering, machine design, automotive engineering, solid mechanics, fatigue and fracture, materials and manufacturing, functionally graded materials, thermal sciences, dynamics and control	Engineering and Information Society	http://www.me.boun.edu.tr
66	University	Karadeniz Technical University, Faculty Of Marine Science	Marine Biology, Marine Ecology, Aquaculture & Fish Diseases, Fisheries Management, Fish Processing, Genetics, Aquatic Toxicology, Marine Pollution, Oil Spill		Full functional biology, marine chemistry, fish biology, genetics, molecular biology, microbiology, remote sensing, oil spill and wet laboratories, Research vessels (Denar 1; 24.5 OAL and Yakamoz; 12 OAL), experimental Aquaculture unit and hatchery	Life Sciences, Chemistry, Environment and Geosciences	www.deniz.ktu.edu.tr
67	University	Pamukkale University Energy Research and Development Center	Renewable Energy		Solar Electricity Production, Solar Tracking, Hydrogen Production, Fuel Cell, Hydrogen Storage, Solar Drying	Engineering and Information Society	http://tee.pau.edu.tr/
68	University	Gazi University	Biomedical engineering		Biomedical Instrumentation, E-Learning, Intelligent Biomedical Devices	Engineering and Information Society	http://w3.gazi.edu.tr/~iguler/
69	University	Ege University Faculty of Pharmacy Analytical Chemistry Department	Electrochemistry, DNA Biosensor ,nanotechnology	2 European funded projects are running	Nanotechnology PCR molecular Biology ,DNA Biosensor, 6 potentiostat, QCM, SPR, Impedimetric analysis, Electrochemistry	Life sciences, Chemistry	www.pharm.ege.edu.tr/pp/ozsozs
70	University	EGE UNIVERSITY FACULTY OF PHARMACY DEPT OF PHARMACOLOGY	CANCER AND CARDIOVASCULAR PHARMACOLOGY	NO	Pharmacology and molecular pharmacology expertise and laboratory	Life sciences	http://www.eczacilik.ege.edu.tr/index.php?p=sci&num=1
71	University	Koc University	Micro-Nano Systems Technologies (MEMS and NEMS), Interest to host PhD Students	FP7-STREP Project	Koc University, Optical Microsystems Laboratory and Clean Room Facilities	Engineering and Information Society	http://mems.ku.edu.tr
72	University	Ondokuz Mayıs University Faculty of Agriculture Dept. Of. Agric. Econ.	Rural extension and development, agr. info. systems, communication networks,		Research projects, national and local farmer training projects	Life Sciences	http://www2.omu.edu.tr http://www2.omu.edu.tr/akademikper.asp?id=345
73	University	Istanbul Technical University, Faculty of Aeronautics and Astronautics	Aeronautical and Space Engineering, Meteorology		Aerodynamics, Control and Avionics, Space Systems, Composites and Structures Laboratories	Engineering, Environment	http://www.uubf.itu.edu.tr/

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
74	University	Marmara University	New Materials		Metallurgy and Materials Engineering at Marmara university is a government funded university; it involves higher education and research activities for the areas of new materials, energy and the environment. Its two fundamental tasks are to conduct educational activities	Engineering, Environment	www.eng.marmara.edu.tr
75	University	Ankara University Biotechnology Institute	Genomics, Proteomics, Molecular Cell Biology, Biotechnology		Expertise in Genomics, Proteomics, Molecular Cell Biology and Plant Biotechnology. Affymetrix GeneChip Microarray System Roche Light Cyclor 480 Real Time PCR Transgenomic WAVE-MD DHPLC Molecular Devices/Arcturus Veritas	Life Sciences	www.biotech.ankara.edu.tr http://btemi.biotech.ankara.edu.tr/
76	University	Anadolu University, Department of Environmental Engineering	Air pollution		Air pollution ,Organic and inorganic pollutants, analytical chemistry. Our laboratory equipped with GC-MS, GC-ECD, UV-Vis, Ion chromatography and air sampling devices	Life Sciences, Environment	www.anadolu.edu.tr
77	University	Istanbul Technical University	Automotive Engineering	FUELUBE	Internal Combustion Engines and engine combustion	Engineering	www.otomotiv.itu.edu.tr
78	University	Ankara University Engineering Faculty, Geological Engineering Department	Geological Engineering, Earth Sciences		Tectonics-Stratigraphy/Paleontology-Sedimentology-Petrology-Ore deposits-Soil and rock mechanics- Remote-Sensing-Petrography and Geochemistry-Paleontology-Soil and rock mechanics-ICP-Fluid Inclusion-Microanalysis-Optical Mineralogy and Applied Mineralogy	Environment and Geosciences	http://geol.eng.ankara.edu.tr
79	University	ITU-EMCOL (Eastern Mediterranean Centre for Oceanography and Limnology, Istanbul Technical University)	Marine Geohazards, Climate and Environmental Changes		Earthquakes, submarine landslides and tsunamis; sedimentary records of climate and environmental changes; Facilities include field surveying and sampling; XRF Core scanner and MSCL facilities	Environment and Geosciences	www.emcol.itu.edu.tr
80	University	Istanbul Technical University, Faculty of Aeronautics and Astronautics	Mechanics of Composite Materials, Structural Dynamics		Theoretical and Numerical Studies on Mechanics of Composite Materials and Composites Structures Laboratory	4 Engineering and Information Society	http://www3.itu.edu.tr/~halit/
81	University	Akdeniz University, Faculty of Agriculture, Soil Science Department.	Soil Science		Plant and Soil analysis labs, cartography and remote sensing lab. Offers expertise on nutrition, fertilization, remote sensing, soil microbiology, soil physics, soil chemistry, and related areas.	Life science	http://www.akdeniz.edu.tr/ziraat/bolumler/toprak/anasayf.htm

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
82	University	Canakkale Onsekiz Mart University	Higher Education & Research		Astrophysics Research Centre and Observatory, Science Laboratories, Photography and Painting Studios, Sinema TV Studios	All	www.comu.edu.tr/english
83	University	Middle East Technical University	Cognitive Science		The department has interdisciplinary links with Computer Engineering, Psychology, Philosophy and Linguistics. The expertise of the department includes Computational modelling, theoretical linguistics, language acquisition, and cognitive development.	Interdisciplinary research including Engineering & Information Society; Social & Human Sciences	http://www.ii.metu.edu.tr/Graduate_Programs/Cognitive_Science/CognitiveScience.php
84	University	Yildiz Technical University Carbon Nanotube Simulations Laboratory	Carbon Nanotube Simulations		20-nodes Beowulf Linux cluster MolecularDynamics Monte Carlo Simulations Density Functional, Tight Binding algorithms	Physics	http://www.yildiz.edu.tr/~gdereli/lab_homepage/index.htm
85	University	Istanbul University, Engineering Faculty, Computer Engineering Department	Neural Networks, Computer Networks, Software Engineering		2 Software Labs, 1 Research Lab, 1 Microprocessors Lab, 1 Network Lab, 1 Operating System Lab.	Engineering and Information Society	ce.istanbul.edu.tr
86	University	Middle East Technical University	Materials, polymer & ceramics, nanostructured materials		The University has a well equipped Central Laboratory	Chemistry, and Materials Engineering	http://www.che.metu.edu.tr/~ggunduz/
87	University	Chemistry Department Istanbul Technical University Faculty of Sciences and Letters	PEM fuel cells, direct alcohol fuel cells, solar energy	EnergyPEOPLE (Submitted)	Nano sized electrocatalysts, PEM fuel cells, Electrochemically prepared solar cells, solar thermal conversion	Chemistry	http://www.kimya.itu.edu.tr/kadirganf
88	University	Gaziantep University	Respiratory Cell and Molecular Biology		Airway epithelial cell culturing, immune blot, PCR, flow cytometry, cell cycle, apoptosis detecting facilities	Life Sciences	http://www.gantep.edu.tr/en/ab/index.php?bolum_id=201Z
89	University	Selcuk University, Faculty of Veterinary	Animal Production and Diseases Education		Education and scientific activities of Animal Health and Production regarding EU Directives	Life Sciences	http://veteriner.selcuk.edu.tr/

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
90	University	BOGAZICI UNIVERSITY	Analog and Digital IC Design, CAD for IC Design, MEMS, Polymer Electronics, Mechatronics, Multimedia Signal Processing (Image, Video, Speech), Wireless Communications, Medical Imaging, Robotics, Intelligent Systems		<p><u>Research labs:</u> BUSIM (B.U. Signal Processing Lab.), VAVlab (Volumetric Analysis and Visualization Lab.), ISL (Intelligent Systems Lab.), Mechatronic Lab., BETA (B.U. IC Design Lab.), WCL (Wireless Communications Lab.), BUMEMS (MEMS lab.), LAL (Lung Acous</p>	Engineering and Information Society	www.ee.boun.edu.tr
92	University	Fatih University	Biology Genetic & Bioengineering Biochemistry Industrial Automation ICT Labour Market Needs Analysis SME NGO VET and EQF	EROPASS "Solid-solid phase chemistry Trainingmodule"	Office space, computer, telephone, Internet connection, cafeteria and library facilities	Life Chemistry Social and Human Sciences Engineering and Information Society Economic Sciences Environment and Geosciences Physics Mathematics	http://www.fatih.edu.tr/
93	University	Middle East Technical University, Department of Industrial Design	Product / Industrial design; Human factors in design; Ergonomics; Product usability.		<p>Design research; design methodology; design education; product usability; material culture; design management; legal rights in industrial design practice; and integration of new technologies in new product development.</p> <p>In research and education, METU Department of Industrial Design shares the services provided by the Faculty of Architecture Computing Unit for computer aided design, image processing, multimedia presentations, desktop publishing, data analysis and the documentation unit for visual teaching material and publications. The Department utilizes the wood, metal, plastics, ceramics workshops and the rapid prototyping</p>	Social and Human Sciences	www.id.metu.edu.tr

94	University	Brain Biophysics Laboratory	Cognitive processes, memory, electrophysiology	n/A	ESFRI, Brain Biophysics and Sleep labs, Computer application facilities	Life Sciences	http://cb.deu.edu.tr/
95	University	UNAM-Institute of Materials Science and Nanotechnology	Nanotechnology		Clean room facilities, Chemistry labs, Nanobiotechnology labs, Materials Characterization lab, NMR, TEM, FIB, E-beam, SEM, OPA, Ultrafast laser laboratories, FTIR, Ellipsometer, AFM, Sample Preparation lab, Confocal Microscope	Life Sciences Chemistry Engineering and Information Society Physics	www.nano.org.tr
96	University	Middle East Technical University	Unmanned Air Vehicle Technologies		Design and composite material manufacturing facilities, Mems Autopilot research (software and hardware)	Engineering and Information Society, Physics	www.ae.metu.edu.tr
97	University	Geodetic and Geographic Information Technologies	Geographic Information Systems, Remote Sensing, Space geodesy, Spatial statistics, Spatial data mining		The Geographic Information Technologies (GGIT) Division at Middle East Technical University is an interdisciplinary program is one of the leading educational and research institution in Turkey for teaching and performing research in geographic information	Engineering and Information Society	http://www.ggit.metu.edu.tr/

EU 7th Framework Programme, Marie-Curie Actions							
Hosting Institutions Catalogue, Turkey							
Information on the Institutions							
	Type	Name	Area of Expertise	Marie Curie Projects	Expertise and Infrastructure offered as a hosting institution	Main Area of Activity* indicated at the below table	Web Site
98	University	Yasar University	Economics, Business, Engineering, Architecture. Design, Communication, Mathematics, Literature, Information Technology		Office, research facilities, library and database access, assistance for finding accomodation, teaching opportunity	3, 4,5,8	www.yasar.edu.tr
99	University	FLUIDS LABORATORIES	FLUID MECHANICS-COMBUSTION-AERODYNAMICS-AEROACUSTICS		Scientific computations, Cfd (workstations, parallel computers), mesurement techniques (subsonic & supersonic wind tunnels and jet facilities	Engineering and Information Society	www.akis.itu.edu.tr
100	University	Centre for Black Sea and Central Asia (KORA)	Research Centre		KORA is an institute conducting research on Caucasian, Central Asian, East and Central European countries. It has academic staff from various departments such as economics, political science, sociology, education and natural sciences, leading to provide a	3 - Social and Human Sciences	www.kora.metu.edu.tr
101	University	Sabancı University	Life Sciences Chemistry Social and Human Sciences Engineering and Information Society Economic Sciences	11 MC IRG Projects, 2 MC TOK Projects	For Students: Computer, Library, Dormitory For Faculty Member: Office, Library, Housing, Health insurance, Computer, Library	Life Sciences Chemistry Social and Human Sciences Engineering and Information Society Economic Sciences	http://www.sabanciuniv.edu/en/
